Upon the applications of the Workers' Compensation Board of British Columbia and Dr. G.S. reconsidered and dealt with in accordance with this Court's judgment in *Pasiechnyk v. Saskatchewan (Workers' Compensation Board)*, S.C.C. appeal no. 24913, released August 28, 1997.

Sur demandes présentées par la Workers' Compensation Board (la «Commission») de la Colombie-Britannique et le D^r G.S. Singh en vue d'obtenir l'autorisation d'appeler à notre Cour de la décision de la Cour d'appel de la Colombie-Britannique datée du 2 décembre 1996, annulant le certificat délivré par la Commission en application de l'art. 11 de la *Workers Compensation Act*, R.S.B.C. 1979, ch. 437, il est ordonné que les questions faisant l'objet du jugement de la Cour d'appel de la Colombie-Britannique soient renvoyées à ce tribunal pour réexamen et décision conformément à l'arrêt de notre Cour *Pasiechnyk c. DISMISSED / REJETÉE

THIS APPLICATION for a stay of proceedings overlooks the ratio of *Richter & Partners Inc. v. Ernst & Young* (1997), 2 S.C.R. 6, where the principle is stated that the purpose of the recent amendment to s. 65.1 of the *Supreme Court Act* was to enable parties to apply to a judge of the court appealed from for a stay of proceedings.

THE PARTY applying first to the Supreme Court of Canada must provide valid reason why the rationale for s. 65.1 is not applicable to the application. That is, there must be some unusual circumstance in the case to permit the Supreme Court of Canada to act on the application prior to the application first being made to the court from which the leave to appeal is sought.

THIS APPLICATION is therefore dismissed with leave to re-apply.

THE CHIEF JUSTICE (orally for the Court) -- The Court is ready to render judgment now. Justice Cory will give the judgment of the Court.

LE JUGE EN CHEF (oralement pour la Cour) -- La Cour est prête à rendre jugement maintenant. Le juge Cory prononcera la décision de la Cour.

CORY J. -- We are in substantial agreement with the majority of the Court of Appeal.

LE JUGE CORY -- Nous sommes d'accord pour l'essentiel avec la décision de la majorité de la Cour d'appel.

The rebuttal evidence introduced by the Crown relating to Olive Hinds was properly admitted. It went to the context and the essential fabric of the alibi defence. The Crown could not have known in advance either that the appellant would testify or the testimony he would give. The rebuttal evidence was clearly relevant to an issue raised in the defence. The discretion of the trial judge to permit the rebuttal evidence was not improperly exercised in those circumstances.

La contre-preuve produite par le ministère public relativement à Olive Hinds a à bon droit été admise. Elle portait sur le contexte et l'essence même de la défense d'alibi. Le ministère public ne pouvait pas savoir à l'avance que l'appellant témoignerait ni ce qu'il dirait sans sa déposition. La contre-preuve était clairement pertinente à l'égard de la question soulevée dans la défense. Vu les circonstances, le juge du procès n'a pas exercé irrégulièrement le pouvoir discrétionnaire qu'il avait d'admettre la contre-preuve.

Even if the second prong of the rebuttal evidence was improperly admitted it did not appear to influence the reasons of the trial judge. The evidence against the appellant was overwhelming. In the circumstances it is appropriate to apply the curative provisions of s. 686(b)(i) and the appeal is therefore dismissed.

Même si le second volet de la contre-preuve a à tort été admis, cette preuve ne semble pas avoir influencé les motifs du juge du procès. La preuve contre l'appellant était accablante. Dans les circonstances, il convient d'appliquer les dispositions réparatrices du sous-al. 686(1)b)(i), et le pourvoi est par conséquent rejeté.

MADAME JUSTICE L'HEUREUX-DUBÉ (orally for the Court) -- We do not need to hear from you, Mr. Briand. We are ready to hand down judgment. The judgment of the Court will be delivered by Mr. Justice Iacobucci.

LE JUGE IACOBUCCI -- Nous sommes tous d'avis que ce pourvoi de plein droit doit être rejeté.

IACOBUCCI J. -- We are all of the view that this appeal as of right should be dismissed.

En présumant qu'il y a eu une violation de l'art. 8 de la *Charte canadienne des droits et libertés*, vu les circonstances de cette affaire, les trois appels téléphoniques provenant du Québec étaient admissibles en vertu du paragraphe 24(2) de la *Charte*.

Assuming that there was an infringement of s. 8 of the *Canadian Charter of Rights and Freedoms*, in view of the circumstances of this case, the three telephone calls from Quebec were admissible under s. 24(2) of the *Charter*.
